1 In a blender, combine the peeled avocados, mayonnaise, lime juice, and a pinch of salt and black pepper. Blend until smooth and creamy.

2 Dice the red onion finely, tomato, and peeled mango. Mix them together with chopped fresh coriander, a drizzle of olive oil, and a pinch of salt to make the pico de gallo.

3 Peel the prawns, coat them in plain flour, dip in beaten egg, and finally coat with panko breadcrumbs. Fry in sunflower oil at 180 °C until golden brown and crispy. Transfer to a plate lined with kitchen paper to drain the excess of oil.

4 To serve, spoon the avocado cream into the base of a glass or cup. Add a spoonful of pico de gallo on top, followed by two crispy prawns.
