Raciones para 4

1
Thick bar of slightly stale French baguette

500 ml
Milk

2
Eggs

1
Cinnamon stick

100 g
Sugar

5 tablespoon
Honey

50 ml
Water

Extra-virgin olive oil

- 1 Cut the bread in thick slices, approximately between 3 and 4 cm.
- 2 Pour the milk into a pot and add the cinnamon stick. Heat it up but don't bring it to boil. Keep it warm for a few minutes and let the cinnamon mix with the milk. Let it rest.
- 3 Once the mixture is cold, soak in the slices of bread. Be careful not to completely wet them to the point that they will break apart, but try to get them to absorb as much milk as possible.
- 4 Beat the eggs and dip the slices in the egg mixture. Then, deep fry the slices in a medium-high heat.
- 5 Mantener el aceite a una temperatura media para que se dore por fuera y se haga por dentro. Keep the oil in a medium temperature for the bread to get golden and crisp on the outside, but cooked on the inside.
- 6 Transfer the bread slices to a kitchen towel to soak up the excess oil.
- 7 Bring the water and honey to a medium-sized pot and heat it up until it's well mixed. Then, spoon it over the bread slices.
- 8 Allow them to completely cool before serving and enjoy!
