Fried eggs and fries trampantojo

Consejo del chef

Sprinkle grated dark chocolate over the fried eggs, apple fries and strawberry marmalade, like if they were real.

Raciones para 2

100g
Greek yoghurt
2
Canned peaches, halves
2
Apples
Strawberry marmalade

Dark chocolate

- 1 Stir yoghurt and spread a couple of tablespoons on a pan, shaping two overlapped circles (don't need to be perfect).
- Place on half peach in the middle of each circle. Cut the base a bit if needed to make the size of the peach looking as much as a yolk as you can.
- Peel apples and cut into segments, like fries. Cooked in a pan without any kind of oil or butter, over medium heat, stir to cook evenly until brown.
- 4 Use a colander with the marmalade to make it thinner.
