- 3 Brush the mould with oil and roll a sheet of puff pastry out. Cut the edges and prick the base with a fork.
- 4 Place parchment paper over it and chickpeas or other pulses to bake the base and stop it from rising up.
- 5 Bake for 30 minutes at 180°C.
- 6 Meanwhile, use a template to cut Wonder Woman's logo in the other sheet of puff pastry.
- 7 Remove the base from the oven, fill with the fruit (try to drain the liquid).
- 8 Place the Wonder Woman letters and stars on it and bake for 10 more minutes.
