Puff pastry Christmas trees

Consejo del chef

You can combine several sweet creams to assemble these little trees —they are simply great with chocolate cream.

Raciones para 4

- ❏ **1** Puff pastry sheet
- ❏ Sugar
- ❏ Dulce de leche or chocolate cream
- ❏ Icing sugar
- ❏ Forest fruits

1. Unroll the puff pastry sheet, sprinkle with sugar, and use a rolling pin over the surface to press both ingredients.
2. Use star-shaped cookie cutters with different sizes to make your puffy pastry stars.
3. Place the stars on an oven tray with parchment paper and bake at 200ºC for 5 minutes.
4. Spread dulce de leche and assemble your trees. Sprinkle icing sugar all over and decorate with forest fruits.
