Consejo del chef

Serve your grapes in a glass or with a cocktail to make your New Year's Eve funnier.

Raciones para 1

12 Grapes

Edible golden paint or edible glitter

Cork base

12 wooden sticks (those used for skewers)

- 1 Wash the grapes very well and let them dry.
- 2 Stick the grapes in the skewers.
- 3 If you use liquid paint, place the sticks with the grapes on a cork base to make the work easier.
- 4 With a clean brush, dip it in the paint and carefully paint each grape. Let it dry.
- 5 If you are going to use edible glitter or golden powder you will have to mix 1 gram of golden powder with 2 grams of alcohol (the best option is vodka, marc, gin).
- 6 Dissolve until a homogeneous color is achieved and paint the grapes. Let it dry.
